

THE CAS TIMES

October 2024 MONTHLY NEWSLETTER

Volume #3

FROM THE DIRECTOR'S DESK

Miss. Jaymey Cochran

CAS Family,

October brings a variety of events at CAS! We'll be celebrating our students, engaging in prayer together, and hosting an exciting field trip for our 2nd and 11th graders. Additionally, progress reports will go out this month, and we'll be closing with a fun-filled World Fair and a helpful Parent Workshop. We're looking forward to a month of growth, learning, and community as we continue to partner together in faith.

"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him." —Colossians 3:17

Family Spotlight

Herrera Family

We are a very close family blessed by God, we have always seen His hand through the years and every situation we have been through. As a family, we always enjoy watching series and movies accompanied by our favorite foods, as well as share board games and go out to have fun. We also enjoy spending time with grandparents.

CAS has been apart of our lives for 13 years and has been a great blessing, and will continue to be so until our little ones graduate.

We bless CAS for all the teachings given so far and the future ones, which will have a great impact on everyone.

Teachers of the Month

Ms. Courtney Brown
4th Grade

Ms. Brown joined our team here at CAS this year. She is known for her energy and dedication to serving the students in our community. We recognize Ms. Brown for her helpfulness, dedication, and high standards within the classroom. The CAS family is so thankful to have Ms. Brown guiding the elementary students along their academic journey.

Ms. Wendy has been a member of the CAS Community for almost 13 years! She is known for her creativity, engaging lessons, and dedication to her students. This month we celebrate Ms. Wendy for always being willing to support our community and for her never failing positive attitude. We are so blessed to have Ms. Wendy as a pillar within our school family.

The Wellness Corner

With Ms. Sofia Rivas, School Psychologist

Topic: Parent Workshops

Dear CAS Families,

As part of our commitment to strengthen the bond between the school and families, we warmly invite all parents to continue participating in our Parent Workshop activities.

In the first session, we delved into how both family and school directly influence the academic and emotional development of our children. Through meaningful reflections, we explored the importance of working together to create an environment where our children can grow with security, confidence, and well-being. It was a space where parents and the school united with a common goal: to enhance the integral development of our children.

Now, we are preparing for our next Parent Workshop session, which will address a crucial topic in today's world: cyber-emotional intelligence. We will have the pleasure of welcoming a very special guest: Clemente de León, a renowned international speaker, expert in school cybersecurity, and author of several books on cybercrimes against children. Lic. Clemente will guide us through the fascinating and challenging world of cyber-emotional intelligence.

We live in a digital world where our children are constantly exposed to risks on social media, video games, and other online environments. As parents, it is essential to be informed and prepared to guide our children through this complex landscape.

We will be sending out all the details very soon, so you don't miss this valuable opportunity to continue learning and growing together. We look forward to welcoming you with open arms at our next School for Parents session!
